

**EL TORO WATER DISTRICT
DIRECTOR**

TED F. MARTIN

OCCUPATION: Incumbent/Consultant

Ted F. Martin C.P.M., Occupation: Incumbent director/Consultant.

Resident Leisure World for 19 years: President TFM & Associates.

Qualifications for Director:

President El Toro Water District Board of Directors.
Commissioner on the Santiago Aqueduct Commission.
Director of the state wide Joint Powers Insurance Authority.
Director of the South Orange County Wastewater Authority.
Member of Orange County Water Association.
Representative to the Independent Special Districts.

Leisure World Activities include:

Past President of the Third Mutual.
Past President of the Saddle Club for two years.
Leisure Worlder of the month.
President of the California Club.
Treasurer of the Saddleback Kiwanis Club and Foundation for the past 14 years.

As Board President coordinated the efforts of the Board and Staff in cost cutting measures to insure no water or sewer rate increases while maintaining-high levels of service. With this effort we were able to off-set increases of our water rates from Metropolitan Water District, increased workers comp insurance, increased medical insurance and expenses resulting from anti-terrorist regulations.

I ask for your vote so I may continue to serve you on the El Toro Water District Board.
